Waters suggested that a Friday or early Saturday would be good.

DEMOLITION BY NEGLECT

No Report.

YARD OF THE MONTH

The commission agreed to look and identify a yard asap for the April recognition.

Mary Jean Holt stated that volunteers are still needed to help with the beautification projects. Other locations are utilizing churches members as volunteer. We should invite other garden clubs to meeting.

The purpose of the Kingstree Beautification Commission Meeting is to obtain comments from the proponents and opponents regarding beautification of the town or specific subject matter. The floor will be opened by the chairman. The chairman will ask each speaker to provide his/her name, mailing address, including street, city, state, and zip code.

Each speaker is limited to **two minutes**, unless additional time is granted by the chairman.

Those in attendance are asked to refrain from disrupting the meeting by making noise of any kind (such as clapping); anyone who disrupts the proceedings will be asked to leave. There shall be no standing head counts of proponents or opponents. The board is interested in obtaining facts and hearing concerns on the particular subject matter.

Everyone is asked to abide by these guidelines, so that the Kingstree Beautification Commission Meeting can proceed smoothly and all who wish to speak have the opportunity to do so.

Please note this is only for the Kingstree Beautification Commission to hear the public's comments and not a question/answer session.
