MEETING/PUBLIC HEARING GUIDELINES

The purpose of the Architectural Review Board (ARB) Meeting/Public Hearing is to obtain comments from the proponents and opponents regarding specific subject matter. The floor will be opened by the chairman. The chairman will ask each speaker to provide his/her name, mailing address, including street, city, state, and zip code.

Each speaker is limited to **two minutes**, unless additional time is granted by the chairman.

Those in attendance are asked to refrain from disrupting the meeting by making noise of any kind (such as clapping); anyone who disrupts the proceedings will be asked to leave. There shall be no standing head counts of proponents or opponents. The board is interested in obtaining facts and hearing concerns on the particular subject matter.

Everyone is asked to abide by these guidelines, so that the ARB Meeting/Public Hearing can proceed smoothly and all who wish to speak have the opportunity to do so.

Please note this is only for the Architectural Review Board to hear the public's comments and not a question/answer session.
